

ALUMNI HIGHLIGHT, BEN ROMANO

Ben Romano spent four years at Westmont with Mrs. Cozi and Mrs. Sandrue, graduating in 2008. His favorite Westmont memories are the pink blocks from biggest to smallest, show and tell, and hanging on the monkey bars with Jarrett Spada and Max Wayne. Jarrett and Ben are still close friends and Max and Ben still see each other a few times a year.

Ben left Westmont to move on to St. Joseph's. He was invited to and competed at the nation's top prep football all-star camp, Football University (FBU) in Dublin, Ohio this summer. The players considered to be the best at their respective positions are invited to participate. He joined more than 1600 of the nation's top athletes and trained with current and former NFL coaches and players.

Along with football, he also plays 12u baseball for the Morris Generals and basketball for the Mendham Patriots. He is involved in MASH (Mendham Association Senior Housing) and is working within an organization called "Level the Playing Field," which is an organization that donates sporting goods to under privileged children.

Ben returned to Westmont this summer as a Jr. Camp Counselor at our summer camp program. We wish him well in his future endeavors.

Thanks to the Romano family for the update on Ben.
