

## Westmont Paver Order Form

Dear Parents and Friends of Westmont:

Reserving a Westmont Paver is a wonderful opportunity to keep your child's experience at Westmont permanently highlighted. Have you noticed the many personal family engravings prominently displayed on the stone walkway in front of our school? Be it a 6x6 paver displaying your family name, a 6x9 paver with a short note, or a 12x12 paver with a special message, you too can contribute to the growth of this unique commemorative project.

Why not dedicate an individual stone paver to your child, your family, or the school? We would like to extend the opportunity to our families who would like to purchase pavers and leave their special mark at the school for the years to come.

Please complete the form below if you are interested in being a part of this memorable walkway. Pavers are sold in three sizes and the costs outlined below include customized engraving and installation. Please write your message in the space provided below exactly as you wish it to appear. Checks should be made out to "The Westmont Montessori School". Approximate time for paver installation is 10-12 weeks.
