

Alumni Highlight – Ania Trzesniowski

Ania spent three years of preschool at The Westmont Montessori School. Her favorite Westmont memories were making maps in Mrs. Minicozzi's class and music and movement with Miss Monica.

She then went to St. Joseph School in Mendham where she is currently an eighth grader. Ania has been named valedictorian of her class, is the president of the National Jr. Honor Society, and the Treasurer of the Student Council. Along with playing soccer, basketball, and volleyball on her school teams, she is a member of Xtreme Volleyball Club. Through her years at St. Joseph School she has been an active member and finalist of the Forensics team and earned first place at a Jr. Model United Nations competition. On weekends, she also attends Frederic Chopin Polish School and has won an award for her proficiency of the Polish language from the Polish ambassador in Washington D.C. In addition, Ania volunteers at the Morristown Soup Kitchen as part of the youth council and has, for the past few summers, helped as a Jr. Camp Counselor at Westmont. She will spend the next four years at West Morris Mendham High School.
