

## **MAY'S ALUMNI HIGHLIGHT—LIA BRODRICK**

We were so fortunate to have Lia Brodrick, Westmont class of 2006, attend our 29th Celebration of Children event as our alumni guest speaker. Lia is a senior at Mendham High school. She spoke to our gathering of her memories of Westmont. She attributes her willingness to step outside her comfort zone and try new things, as well as her love of languages from her first introduction to Spanish, to her time at Westmont. In the fall, Lia is heading off to the University of Pennsylvania to begin the next phase of her educational journey.

Well done Lia, we are very proud of you!
